

This is a must if you are conferencing in Hanmer, a magical thermal village located 90 minutes from Christchurch. The teams will have an absolute blast as they take part in a number of activities in Hanmer, such as Mini Golf, Fringe on Top Bikes, The Lost Temple Maze, and Low Ropes Course.

The event sees groups compete against one another and go head-to-head to determine the top team. Each activity will be marked by an accompanying Rock+Ice guide, and the winning team will be rewarded at our light hearted prize giving ceremony at the conclusion of the event.

🕒 **MINI GOLF** – Your team must complete a number of holes in the least number of shots

🕒 **FRINGE ON TOP BIKES** - Teams must complete a set of questions based on locations around central Hanmer. Teams must board the 4 seater bikes, and bike to the various locations, in a kind of ‘Rally Style’. Great fun as the team’s race around Hanmer within the given time.

🕒 **HURUNUI JONES MAZE** – *The local maze must be completed by the whole team in the least possible time.*

🕒 **LOW ROPES COURSE** – *The team must complete a series of exercises on the challenging Low Ropes Course. Although no activity is higher than one metre above the ground, this is trickier than it might appear.*

🕒 **MOUNTAIN BIKE CHALLENGE** – *The team must use their map, complete a circuit, and make it back to the finish point in the shortest time possible.*

LOCATION	SEASON	DURATION	Min/Max
Hanmer	All Year	2-4 Hours	10 to 300
