

This is a **MAJOR** fun activity. The group will have an absolute ball, as in their teams or countries they make their way around Hanmer participating in a number of Hanmer tourist attractions. They'll participate in events such as Mini Golf, the Hurunui Jones Maze and the Fringe on Top bikes, while also tackling a variety of problem solving activities, such as The Maze, the Blind Tent Build and the Low Ropes Course.

Each country participates in a number of events to decide the Gold, Silver and Bronze medal winners. These events include...

MINI GOLF – Your team must complete 9 holes in the least number of strokes.

FRINGE ON TOP BIKES – You must solve the clues by visiting various locations on these 4 person bikes.

THE HURUNUI JONES MAZE – Don't get lost! – There's only one way out...

THE BALANCE CHALLENGE – Your Objective is to balance all of the 'nails' (actually 1.3 metre plastic piping) on the head of the standing nail without any of them touching the ground. They must remain balanced for a total time of thirty seconds or more.

LOW ROPES COURSE – Each team must complete a series of activities on the Low Ropes Course. Consisting of cables strung between trees, these activities test your teamwork and ingenuity.

HYDROSLIDE TIME TRIAL – Each team must nominate one person to complete the hydroslide at the Thermal Reserve. The fastest time earns the most points.

| LOCATION | SEASON | DURATION | Min/Max |
|----------|----------|-----------|-----------|
| Hanmer | All Year | 2-4 Hours | 10 to 300 |
